Site First Response Kit in Green Rucksack

A compact first aid rucksack that offers excellent portability for the first aider. The bag features double zip-pulls that allow the bag to open fully, offering easy viewing of the products required in an emergency. Elasticated loops, sealable pockets, and a removeable compartment, hold all the contents securely. The contents of this kit exceed current BS8599-1 medium size standards. Intended for 25-100 employees in a low hazard environment such as a shop or office, or for 5-25 employees in a high hazard environment such as light engineering or warehousing. As it contains eye wash, this kit also qualifies as a travel first aid kit according to the new BS guidelines.
